Introduction

Top Shark Pro is a free online tool that allows you to:

- **View Rankings and statistics for all** players on the top poker sites such as Poker Stars and Full Tilt. For a full list of the current supported websites, [click here](#).
- **Filters:** Top Shark allows you to filter the statistics and rankings for any given player based on date, buy-in, number of entrants, limit and much more. This way you can obtain the exact information you are looking for.
- **Player Profile:** Includes a fully customizable player profile page that allows you to add a photo, write a biography, add personal information and lock all this information into place. Now online poker players can further build a community and learn more about each other than just clever names and remarks.
- **MTT's, SnG's, Heads-Up:** Top Shark offers tournament statistics and player rankings for all multi-table tournaments, sit and go's, and heads-up play separately. This way you can always break down your play or opponents for each category.
- **Graphs:** Top Shark includes a fully customizable graphs section in your player profile page that shows you the quality of your play based on the parameters you set. You may also obtain a link for any graph and post it on your favorite websites and forums. These graphs are automated and continue to track your play and adjust accordingly without you having to repost them.
- **Latest Tournament Info:** Top Shark offers additional information on the player profile page such as "recent large cashes" and "last 10 tournaments" to help you further understand what kind of success you have been having lately at the poker tables.

Used in tandem with Super HUD (Heads Up Display) will further enhance your poker playing ability.

Registration Process

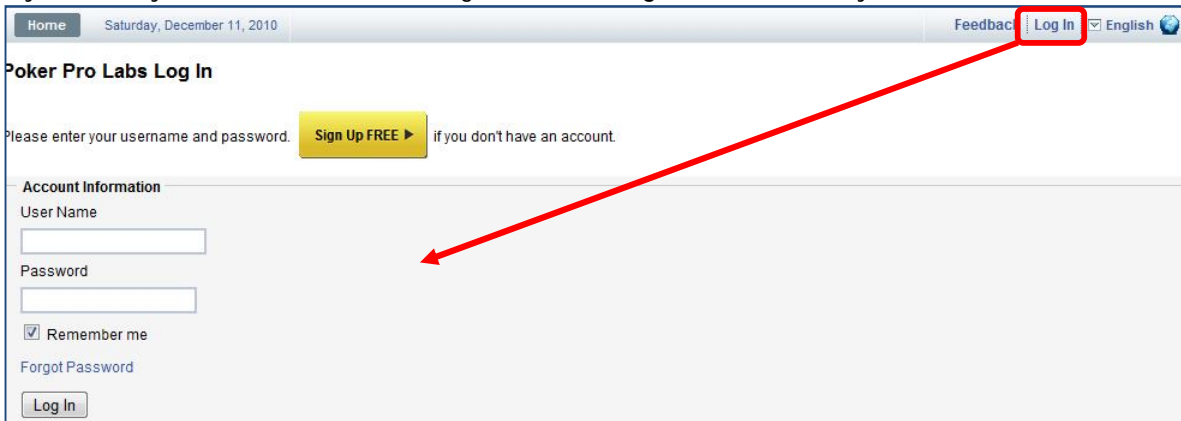

Access Top Shark Pro from the Poker Pro Labs web site - <http://www.pokerprolabs.com/>.

The screenshot shows the Poker Pro Labs homepage. At the top, there's a navigation bar with links like Home, Top Shark, Poker Calculator Pro, Smart Buddy, Tournament Shark, Poker Tools, Forum, and My Account. Below this is a banner for 'HOLDEM PROFILER' with the text 'Track, Analyze & Improve Your Poker Game! Completely web based: no clunky downloads'. On the left, there's a 'Poker Tools' section with links to Poker Rankings and Buddy List. In the center, there's a section for 'Online Poker Rankings and Profiles' with a search bar. On the right, there's a table titled 'PLAYERS OF THE MONTH December' showing rankings for Multi Table Tournaments and Sit And Go Tournaments.

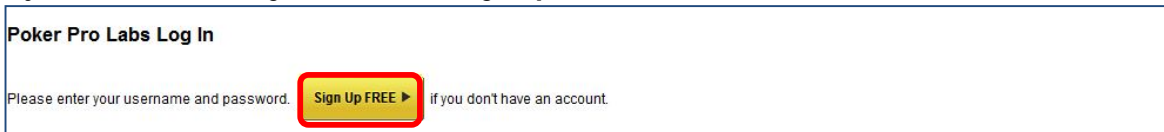

Multi Table Tournaments			Sit And Go Tournaments		
Player	Today		Player	Today	
1. antohme	0		1. jaolong	1	
2. P1ngP0NgP1r0	0		2. woosewoo	2	
3. GraveDanger3	0		3. WHENHUGSCRY	2	
4. stanman420	0		4. leco00	1	

If you already have a Poker Pro Labs login, click the **Login** link and enter your information.

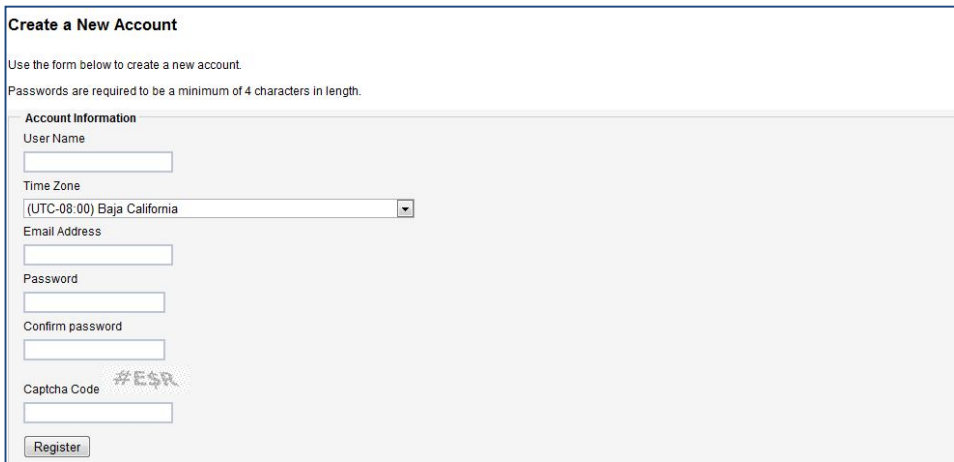

The screenshot shows the 'Poker Pro Labs Log In' page. It has a header with 'Home', 'Saturday, December 11, 2010', 'Feedback', 'Log In', and 'English'. Below the header, there's a section for logging in. It says 'Please enter your username and password.' followed by a yellow 'Sign Up FREE' button and the text 'if you don't have an account.' Below this, there's a form with fields for 'User Name' and 'Password', a 'Remember me' checkbox, and a 'Forgot Password' link. A red arrow points from the 'Log In' link in the top navigation bar to the 'Log In' button at the bottom of the form.

If you do not have a login, click on the **Sign Up FREE** button to create an account.

This is a cropped version of the 'Poker Pro Labs Log In' page, focusing on the 'Sign Up FREE' button which is highlighted with a red box.

The screenshot shows the 'Create a New Account' page. It has a header with 'Home', 'Saturday, December 11, 2010', 'Feedback', 'Log In', and 'English'. Below the header, there's a section for creating a new account. It says 'Use the form below to create a new account.' and 'Passwords are required to be a minimum of 4 characters in length.' Below this, there's a form with fields for 'User Name', 'Time Zone' (a dropdown menu), 'Email Address', 'Password', 'Confirm password', and 'Captcha Code'. A 'Register' button is at the bottom.

Information and Customization

Once you have access to Top Shark Pro, you can click on these tabs to customize and view more information about online poker players.

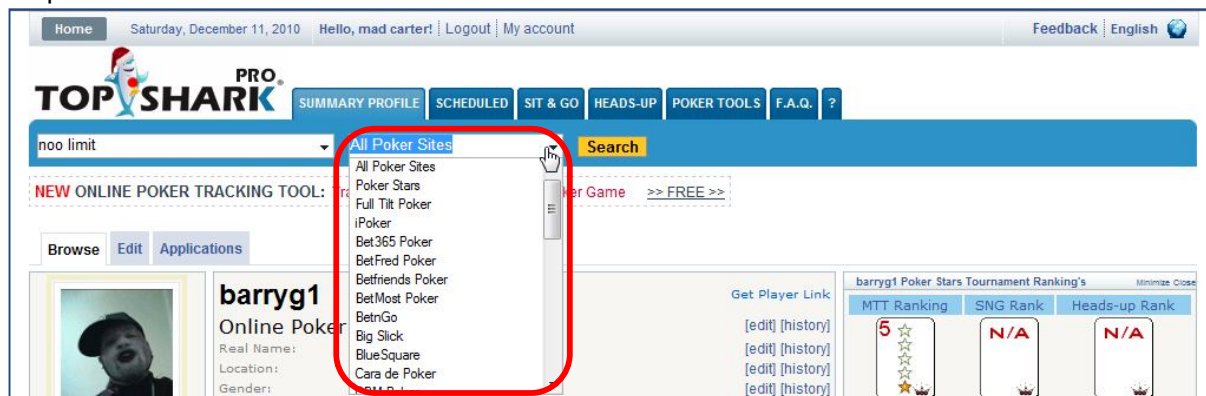

Summary Profile

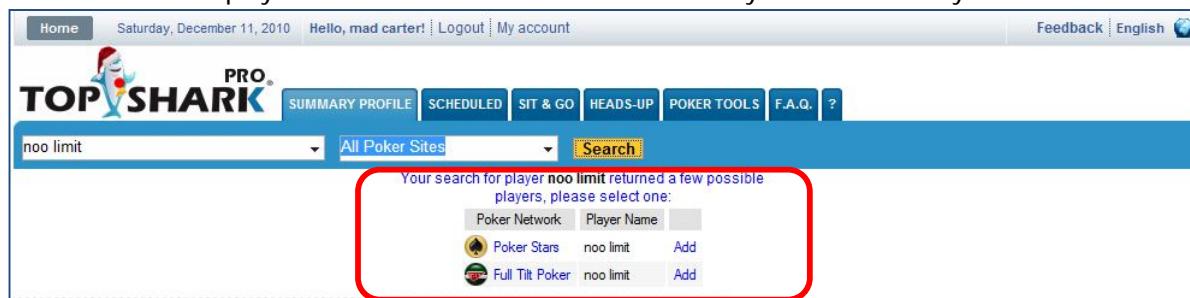

This tab provides detailed information about yourself and other online players. You have access to:

- Player information such as name, gender and more
- View tournament results for the selected player
- View tables listing Recent Large Cashes and Last 10 Poker Tournaments
- View player rankings

Use the top search field to locate a player. Enter the player name and select a poker site from the dropdown list.

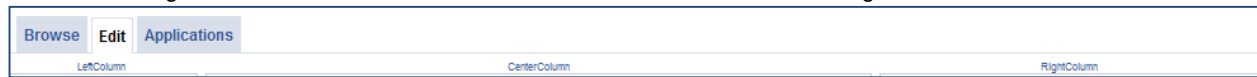

The results will display below the search bar. Click **Add** to add your selection to your sidebar.

Three tabs display – Browse, Edit, Applications

Each tab is organized into three sections: LeftColumn, CenterColumn, RightColumn

Browse tab

Left Column: Upload the player's picture and modify the list directly by clicking on the **[edit]** link.

Center Column: Displays the following sections:

Right Column: displays the selected player rankings.

Click on one of the cards displayed to view more details. When click on a card, you will be instantly re-directed to the **Scheduled** tab. For more information on this tab, [click here](#).

The right column also provides a brief description of how Top Shark Pro calculates a player's ranking.

TopShark Rank :

The TS Ranking system uses a playing card with 5 stars as a level to identify the rank of the player.

The cards are Ace, King, Queen, Jack, 10, 9, 8, 7, 6, 5, 4, 3, 2 and the stars are 1, 2, 3, 4, 5. Ace with 5 stars is the highest rank and 2 with 1 star is the lowest rank. The rank is calculated based on the number of tournament entries, where you finish and the buy-in amount.

Scheduled, Sit & Go, Heads-Up

These three tabs can be customized in the same way. The Summary Profile and each tab are linked together and will display the same selected player information. The player details for the player selected on the Summary Profile tab will display on the Scheduled, Sit & Go and Heads-Up tabs. Use the search feature to select a different player on one of the tournament tabs, and the Summary Profile tab data will change.

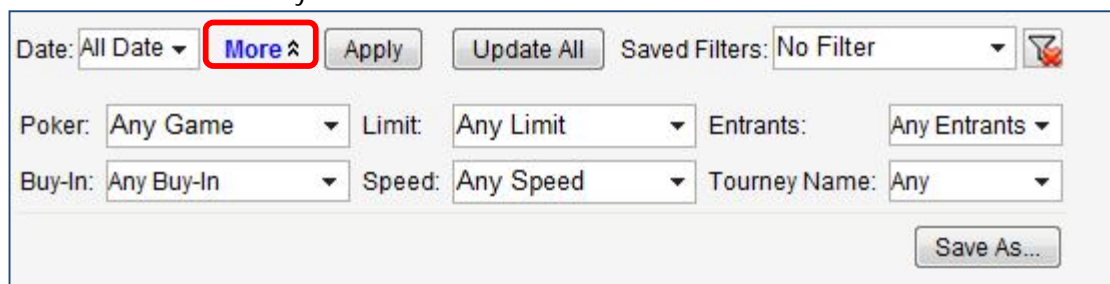

The **Summary Profile** tab provides access to customizable graphs and tables of player details. After locating the player you wish to learn more about, use the top bar to filter the provided information.

Select a date range from the dropdown list.

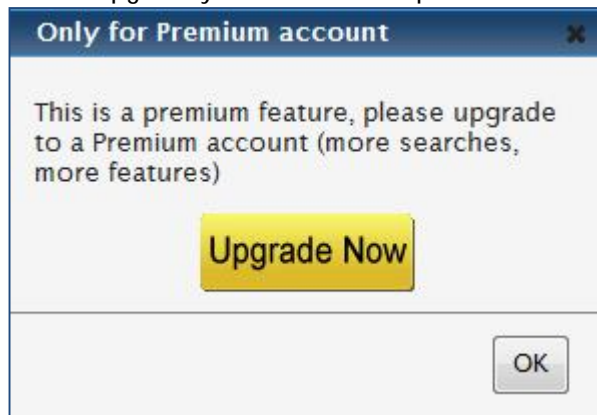

Click **More** to view more filter options. Create your filter by selecting options from the dropdown lists:

- **Poker:** Dropdown list of game type such as Omaha, 7-Card Stud and more
- **Buy-In:** Select from the ranges listed, or click on Customize to create your own range
- **Limit:** Select Any Limit, Fixed Limit, Pot Limit or No Limit
- **Speed:** Select Any Speed, Normal or Turbo
- **Entrants:** Select from a dropdown list of the number of entrants ranges, or click on customize to create your own range.
- **Tourney Name:** Select from Any, Double or Nothing, Knockout, Sunday Million, Rebuys, or select customize to create your own

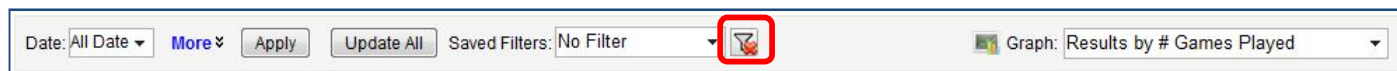

Use the **Apply** button to instantly view your changes, or use the **Save As...** button to name and save your filter for future use.

Note: The ability to save your filters is included with our membership plans. To see more information on how to upgrade your account to a premium account, [click here](#).

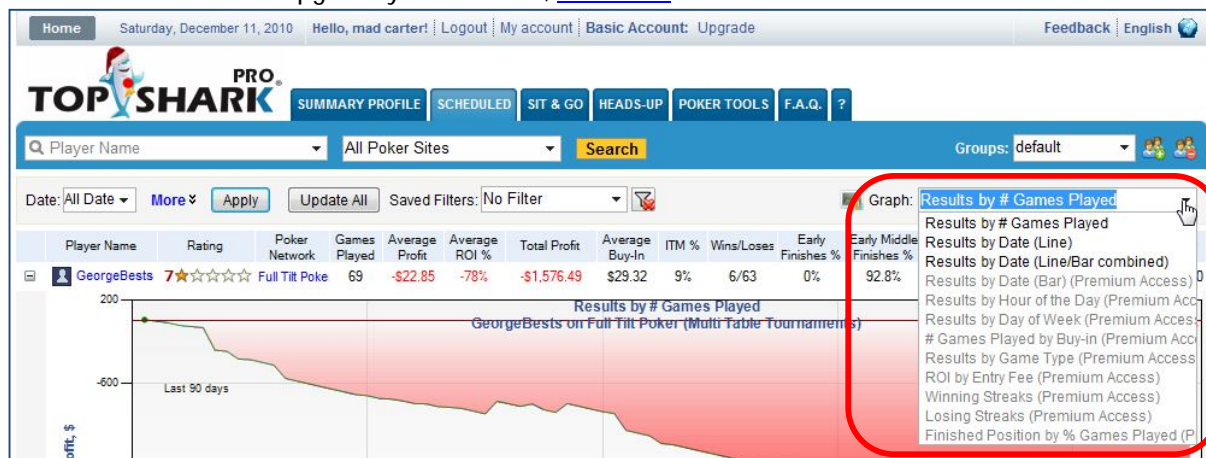

If you have created several filters and wish to remove one or more, select the filter you wish to delete and click **Remove** icon.

The two main pieces of data shown on this tab are tournament results graphs and tables. To select a specific graph, select from the dropdown list in the top bar.

Note: The graphs displayed here in gray are enabled for premium account memberships. TO see information on how to upgrade your account, [click here](#).

The details and graph that appear in the center of the page, will reflect the date, filter and graph type selected in the top bar.

The bottom section of the page displays tournament results details. You can elect to hide this information by click in the checkbox.
